

Welcome to the Vocare Ministry!

Vocare is a young adult ministry that provides opportunities for spiritual renewal and discovery. The Vocare weekend is one filled with fun and games, as well as reflection and discussion all focusing on one's spiritual calling.

With Vocare present in over two dozen dioceses in the United States and present around the world (from Canada to South Africa!), we are a welcoming ministry for all Christians everywhere!

Feel free to look around, read about our Annual Conference and the Vocare International Steering Committee , or find out where a Vocare is being held near you!
